

October Newsletter

www.friendsoftelscombetye.co.uk

Hello everyone,

Welcome to all our new members who signed up at the various events over the Summer.

We had another great Working Horses Event and couldn't have planned for better weather with many people out enjoying the horses, cart rides and walks on the Tye.

Many thanks to John Carden for organizing the event and for help from our own volunteers and support from Telscombe Town Council, Saltdean and Telscombe Residents Associations and of course the Working Horse Trust who bought along their two pairs of horses and the Kite-flyers.

Attached is the task list for this quarter. We're planning a Fish Supper as part of our AGM along with a speaker from the Badgers Trust - so put the date in your diary - 18th November.

If you love the Tye - pick up a leaflet from the library or council offices and tell your friends and neighbours about us.

Get Involved

We're always looking for enthusiastic people who would like to get more involved and are interested in what happens in their local area. Come and join us on some of our tasks.

We have training courses available for anyone who would like to join our cheerful band of volunteers and will be arranging Brush-Cutter courses through Plumpton College. Get in touch to find out more and to book on a course.

We also have a few opportunities if you'd like to join our small, friendly committee:

- **Task co-ordinator** - help put the task schedule together each quarter.
- **Communications** - help in writing and editing the newsletter.

Are there any technically minded members who'd like to help us keep the website updated with new information?

If you're interested in getting involved, give me a call to find out more.

Upcoming Tasks:

The tasks are fun, good exercise, get you out in the fresh air, learn more about the Tye. Children are welcome (if supervised) and we provide all the tools and training. All you need is suitable clothing, packed lunch and gloves.

Sunday 16th October - Seeding main Tye

Saturday 22nd October - Litter Pick - Cliff top

Sunday 13th November - Scrub, re-growth Clearance - E-piece

Friday 18th November - AGM + Fish Supper

Saturday 26th November - Litter Pick - Cross Dyke

Sunday 11th December - Scrub, re-growth Clearance - E-piece

Let the task leader know if you'd like to come on one of our tasks, so we can organise enough tools and also to let you know if plans change - tasks are often weather dependent!

Thank you for your support and we look forward to seeing you out on one of the tasks.

Clare Evans
